Navigate within Paris

Paris offers a wide array of transportation options that cater to the needs of both residents and tourists. The city's public transport network is extensive and well-integrated, ensuring easy navigation through its many neighborhoods and attractions.

Paris Metro

The Paris Metro, officially known as the Métropolitain, is the rapid transit system serving Paris and its surrounding suburbs. It is one of the densest and most efficient metro systems in the world, known for its extensive network and iconic Art Nouveau entrances.

- **Network:** 16 lines, numbered 1 to 14 and including 3bis and 7bis, with 303 stations.
- **Frequency:** Trains run every 2-5 minutes.
- **Tickets:** Single journey tickets, day passes, and Navigo cards.

RER (Réseau Express Régional)

The RER is a regional express train network that connects central Paris with its suburbs and surrounding regions.

- **Lines:** 5 lines (A, B, C, D, and E).
- **Coverage:** Extends beyond the Metro's reach, connecting to major hubs like Charles de Gaulle Airport and Disneyland Paris.
- **Integration:** Shares some stations with the Metro, facilitating easy transfers.

Buses

Paris has an extensive bus network that complements the Metro and RER systems.

- **Routes:** Numerous routes cover the entire city and suburbs.
- **Accessibility:** Useful for reaching destinations not directly served by the Metro or RER.
- **Night Buses:** Noctilien buses operate during the night when the Metro is closed.

- How to get around Paris on the bus

Trams

The tram system in Paris serves the outer edges of the city and nearby suburbs.

- **Lines:** 10 lines (T1 to T9 and T11).
- **Routes:** Primarily operate in the suburbs, with some lines encircling the city.

Vélib (Bike Sharing)

Vélib Métropole is Paris's public bicycle sharing system, offering a green and flexible mode of transport.

- **Stations:** Thousands of docking stations across the city.
- **Bikes:** Standard and electric bikes available.
- **Access:** Short-term and long-term subscription options.

Scooters and E-Scooters

Electric scooters are a popular, eco-friendly way to navigate the city.

- **Providers:** Multiple operators including Lime, Bird, and Dott.
- **Rental:** Easy rental via mobile apps, with pick-up and drop-off almost anywhere in the city.
- Paris scooters: Getting on your way by getting in the way?

Boats (Batobus)

The Batobus is a river boat shuttle service on the Seine, offering a scenic way to travel between major attractions.

- **Stops:** 9 stops along the Seine, including the Eiffel Tower, Louvre, and Notre-Dame.
- **Tickets:** Hop-on, hop-off day passes available.

Walking

Paris is a highly walkable city with many attractions close to each other. Walking is a very good solution for going from one place to another. Suggestion: if your destination is one or two metro stations away, walk and enjoy Paris. With that said, everyone in Paris wears good shoes; many wear their walking shoes and take their dress shoes in a discrete bag and change at their destination.

- **Pedestrian Areas:** Numerous pedestrian-only streets and promenades.
- **Scenic Routes:** Walking is often the best way to experience the city's charm and architecture.

Driving Cars

Paris is a very crowded city with restricted driving areas and very few parking places.

 Attention  : Visitors to Paris —> **DO NOT drive cars**.

But if you must... There are only *two rules for visitors driving in Paris*

- Rule #1 **DO NOT DRIVE IN PARIS**
- Rule #2 see rule #1
