

AMA Ask Me Anything

Yes. Go ahead. Ask me anything and I will answer as honestly as possible. Just the same, I have my limits and I will let you know. I expect the same honesty from you, by the way.

I will try to answer as honestly as possible with the exception of the usual: nothing illegal, immoral or NSFW content.

Cheers, — [admin](#) 2023/Jan/27 12:08
